

3PL VALUE CREATION NORTH AMERICA SUMMIT 2018

October 16–18, 2018 | Embassy Suites Chicago Downtown Magnificent Mile

Armstrong & Associates invites you to join us at our sixth annual **3PL Value Creation North America Summit** on **October 16–18 in Chicago, Illinois.**

The 3PL Value Creation North America Summit is a distinct strategic event where **C-level executives, investment community leaders, and technology innovators** gather to assess the future of the third-party logistics market and explore strategies for value creation to forge competitive advantage.

Through a combination of **insightful executive panels, market intelligence, and thought leadership**, the 3PL Value Creation North America Summit takes an unparalleled deep-dive into the operational and financial aspects of the global 3PL industry.

The summit will analyze the most important **industry trends (such as value-added services, recent mergers and acquisitions, e-commerce, and innovative technologies and automation)** in an interactive and fully engaged way.

The 3PL Value Creation North America Summit offers up **a strong platform for executives to network, learn, and exchange business knowledge and experience.** It is your chance to position your company to be a provider of cutting-edge solutions which enhance your customers' supply chain flexibility and agility, while boosting bottom lines.
