

3PL VALUE CREATION ASIA SUMMIT

May 16, 2018 | Hong Kong - KPMG Conference Center

Friends and Colleagues:

On May 16th, Armstrong & Associates and Global Supply Chain Council will be hosting the third annual 3PL Value Creation Asia Summit in Hong Kong. The summit will bring together senior executives from third-party logistics providers and technology leaders to network and share cutting edge concepts for achieving growth in 2018 globally and across Asia.

The 3PL Value Creation Asia Summit fosters progress by bringing thought leaders together to discuss the most important industry trends and issues (cross-border e-commerce, technological innovation, and regional supply chain shifts) in an interactive and fully engaged way. With its focus on executive panels to share information, the 3PL Value Creation Asia Summit is unique amongst conferences. As such, this one event represents an outstanding deep-dive into the operational, financial, and technological aspects of the global 3PL industry.

The 3PL Value Creation Asia Summit is your chance to gain insights and position your company for cutting edge initiatives that allow you to enhance your customers' supply chain flexibility and agility, while boosting the bottom line. It provides an unparalleled opportunity to network, learn and share ideas for driving 3PL growth.

I hope to see you in Hong Kong! For speaker or sponsorship opportunities, please contact cheri@3plogistics.com or call 414-545-3838.

Best Regards,

Evan Armstrong
